**Subject:** RE: Draft NCA4 Mitigation Chpt

Thank you, Jeremy, and congratulations on being the first chapter to finish! Most of my attention this week is on helping the AQ chapter across the finish line (it is close) and then I'm out on vacation next week. I'll read the mitigation when I get back. We'll also have a call of EPA CLAs to discuss the agency review process.

Hi Andy and Darrell,

Just wanted to keep you guys in the loop about the status of the Mitigation chapter. We've completed a first order draft that is with the TSU now for preliminary formatting/editing. I know that you will see the chapter in about a month or so for initial agency reviews, but thought I'd share the current version as a sneak peak.
